GIVE A DAY TO FINANCING SCOUTING MARCH 16

Fair Ticket Kickoffs Near

Want some great activities for your unit? Money for that unit treasury? Prizes for your Scouts? Supporting the Scout Fair, planned for May 17-18-19, is a fine solution to all three problems, according to John G. Sevcik, General Chairman of the event.

"Applications for Fair booth space are piling in," said Sevcik, "and many choice booth locations are being requested. Units planning a booth should mail their appli-

cation card right away."

"Units with a booth at the Scout Fair
have a built-in head-start in ticket sales."

have a built-in head-start in ticket sales," he continued. "I think any parent or relative would be glad to buy a dollar ticket to see their Scout in action at the Scout Fair."

Unit ticket sales chairmen will meet at district kickoffs on April 6.

Announce 1963-64 Achievement Program

It's official! With the announcement of the 1963-64 Achievement Awards Program the Chicago Area Council continues along in high gear toward its goal of quality Scoutin for every unit.

125 points must be scored by units in this year's competition (see full-page of details elsewhere in this issue). Unit leaders may register with their neighborhood commissioner to take part in the achievement program. Five bonus points will be awarded for registration before March 30.

Labor Lunch-O-Ree Planned For March 26

Organized labor will salute Scouting March 26 at the Labor Unions Lunch-O-

Ray Schoessling

Ree, in the International Ballroom of the Conrad Hilton. 700 Chicago labor leaders are expected to attend the Chicago Area Council's annual \$50a-plate luncheon, according to General Chairman Stephen M. Bailey, Business Manager of the Chicago Journeymen Plumbers' Local Union 130.

Honored at the Lunch-O-Ree will be Ray Schoessling, President of the Teamsters' Joint Council No. 25. Mr. Schoessling was General Chairman of all four past Lunch-O-Rees, and is publicity chairman for this year's event.

Nationally-known sportscaster Jack Brickhouse, host of the Finance Campaign kickoff television program, is shown here in rehearsal for the program (Channel 9, 8:00 a.m., March 16). The program will be viewed by more than 25,000 One-Day Campaign salesmen at 200 kickoff locations around the Council.

Reserve For Camp Now

Six hundred lucky Scouts from over a hundred units have signed up for the Council's camps this summer, according to John J. Crown, Council camping operations chairman, and camping reservations are being made at an increasing rate.

The deadline for unit reservations having past, a \$5.00 per Scout fee must now accompany all camp reservations. And the lists are filling rapidly. "Space is now available at all campsites at both Owasippe and Kiwanis," said Crown, "but in two weeks I don't know if we'll be able to say that." Units wishing a specific period and place at camp are therefore urged to reserve without delay.

Reservations may be made at the Scout Service Center, or by mail. The \$5.00 per Scout fee must accompany all reservations. For more information call the Camping Service at 782-3990.

Showando Set For May

Unit leaders, commissioners and committeemen will take part in the Council's Boy Scout Leaders' Showando on May 4 from 9:30 a.m. to 9:30 p.m. at the Valley View Training Center in Hinsdale. Purpose of the Showando, the first held on a Councilwide basis, is to give Scout leaders an advanced training experience in the skills of Scouting.

According to Showando Chairman Richard J. Sanders, Sr., the men from each unit will team up into a patrol, spending the day working as a team. "In this way," said Sanders, "we expect the Scouters at the Showando to gain in one of the fundamentals of Scouting, the spirit of cooperation in a well-run patrol." A full page of more complete details will appear in the next issue of the COUNCILer.

Breakfast Kickoffs Spark One-Day Campaign

The general solicitations phase of the 1963 Finance Campaign will take the form of a one-day drive on Saturday, March 16. Two hundred simultaneous breakfast zone meetings will be held throughout the Council. The One-Day Finance Campaign plan calls for more than 25,000 "Salesmen for Scouting" to be related to these 200 zones.

According to Thomas G. Ayers, District Campaigns Chairman, each zone chairman is currently recruiting his zone to strength, which will lead to 155 people on March 16. This includes 125 salesmen, 25 team captains and five division chairmen, in addition to the zone chairman.

Channel 9 to Televise Instructions

All 200 breakfasts will begin at 7:30 a.m. A special 30-minute television show will be beamed from WGN-TV, Channel 9, at 8:00 a.m., giving campaigners final instructions. Each breakfast kickoff location will have several TV sets so this important program can be shared with all One-Day salesmen.

"Give a Day to Scouting" is all that's being asked of One-Day Campaign salesmen. The campaign is scheduled to conclude at 10:30 p.m. Each team of five salesmen will be given not more than 25 prospect cards, and asked to sell memberships in the Chicago Area Boy Scout Council. Prices of memberships are listed below.

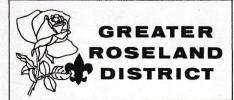

Memberships Featured

The One-Day salesmen will be asking prospects to purchase a membership that fully represents their ability to give, and their interest in the youth of our area. Each salesman will be asked to bring in \$60.00, the equivalent of five memberships. Attractive plaques will be given to salesmen who reach their goal.

One of the important concepts of the 1963 campaign makes it possible for salesmen to work in pairs, with each salesman assigned five prospects. The two salesmen will call on ten people, and thus bolster each other in making their sales.

COMMISSIONER MEETING

How can we help our district on March 16, our One-Day Finance Campaign, and where can we do the most good to help with the big Scout Fair? We will also discuss some other important items, so let's have a 100% turn-out.

DISTRICT COMMITTEE MEETING

This should be a very important meeting. In addition to the regular business, we will discuss the April business meeting and the May recognition dinner. Every institutional representative and member-at-large should be present to help the committee with

ROUNDTABLES

The Cub leaders will have the April theme, "Up, Above and Underneath" presented by our fine packs. This theme is designed to interest Cub Scouts in nature study and should prove very interesting. Let's all come out and receive ideas from the packs who have spent so much time preparing for us.

The Boy Scout leaders will have a presentation of the April theme "Canvas Craft" and the new film strip, "How to Select a Tent," will be shown. We will also hear more about camping, Scout Fair and the Camporee.

ONE-DAY CAMPAIGN

The personnel for our twelve zones are gaining each day and must be 100% at our kickoff breakfast on March 16.

Please say "yes" when you are asked to serve and give.

SCOUT FAIR

Have you signed up for a booth? Is your unit ticket sales chairman set to attend the big kickoff meeting on April 6?

GROW TO GO

First reports show that most unit leaders are really taking this plan to heart. Our membership is not soaring as yet, but indications are that it will. A recruiting tip for religious sponsors; Check your Sunday School or church records for boys not registered in your institution's unit(s). Give these boys a personal invitation to attend your next meeting. For other groups that sponsor Scouting, go over your roster of members for boys who might be available to you. Invite them, interest them, register them. Remember, a boy not registered is not a Scout.

Along the **Scouting** Trail

By ALDEN G. BARBER

The 50-mile hike is certainly in the news, but unfortunately it is taking the form of a comic opera.

While many seem to be discovering the physical fitness importance of hiking for the first time, the current news play gives Scouters a chance for reflection.

Physical fitness in Teddy Roosevelt's day received more than lip service. Scouting's greatness stems in part from its rugged outdoor approach to fun and adventurein fact T.R. had much to do with popularizing this vigorous aspect of our program.

Let's be sure we incorporate into today's Scouting some of the challenges and the excitement that can come from tackling a tough job-Boy Scout style.

A hike-well planned and well executedis one such challenge.
